📍 MEANING OF THE DIRECTIVE PRINCIPLES 📌

- 🗺️➡️ **The Ultimate Revision Flow Chart:**
    - The Directive Principles are the guidelines to be followed by the government in the governance of the country ➔ Part IV of the Constitution has the Directive Principles of State Policy under Articles 36 to 51 ➔ The Directive Principles are not a substitute for laws of the country ➔ They are called 'Directive Principles' because the government has to take them into consideration while making laws ➔ These principles contain lofty ideals, deep human thought, belief and knowledge ➔ These principles are not found in any other Constitution of the world except those of India and Ireland ➔ have to take cognizance of these directives. 🧭✨

📍 WELFARE STATE 📌

- 🗺️➡️ **The Ultimate Revision Flow Chart:**
    - A Welfare State is a state which seeks to ensure the maximum happiness of maximum number of people living within its territory ➔ The Constitution of India seeks to establish India as a Welfare

State ➔ Although the words "Welfare State" are not specifically mentioned in the Constitution, the aims and objectives of a Welfare State are clearly pointed out in the Directive Principles of State Policy ➔ These Directives emphasise that the goal of the Indian Polity is a Welfare State, where the State has a positive duty to ensure to its citizens social and economic justice and dignity to the individual ➔ Both the Union and the State governments, have over the past six decades taken steps to implement Directive Principles, which aim at establishing social and economic ➔ democracy, the basic goal of a Welfare State. 🏛️🤝

📍 SOCIAL EQUALITY AND JUSTICE 📌

- 🗺️➡️ **The Ultimate Revision Flow Chart:**
    - The Union and State Governments have been taking steps to implement the Directive Principles ➔ (i) The Right to Education Act has made it mandatory for every child between the ages of 6-14 to be provided free education in all government and government aided schools ➔ The Act also requires all private schools to reserve 25 per cent of seats for the children belonging to economically weaker sections of the society as a part of the public-private partnership plan ➔ (ii) Special scholarships are provided to socially and economically weaker sections of the society ➔ There is a system of reservation of seats in jobs and in educational institutions for Scheduled Castes and Scheduled Tribes ➔ (iii) Untouchability has been made an offence punishable by law ➔ (iv) In order to provide justice to the Economically Weaker Sections (EWS) from the upper castes, the Central Government has provided 10 per cent reservation for them in government jobs and in higher education ➔ This provision was introduced by the Constitution (103rd Amendment) Act in January 2019 ➔ It aims to fulfil the commitments of the Directive Principles to promote the educational and economic interests of the weaker sections of the society ➔ The benefits of this Act are given to people who have an annual income of less than ₹ 8 lakhs ➔ or people who own less than five acres of farm land ➔ or people who have a house lesser than

1,000 sq. feet in a town (or 100 sq. yard in a notified municipal area). ⚖️📚

📍 ECONOMIC WELFARE 📌

- 🗺️➡️ **The Ultimate Revision Flow Chart:**
    - (a) The Government has abolished the Zamindari System and introduced the land reform programme to do away with the old feudal socio-economic structure of rural India ➔ (b) Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Bill, 2013 was passed by the Parliament in September 2013 ➔ This Act came into force from January 1, 2014 ➔ The Act aims to establish the law on land acquisition, as well as the rehabilitation and resettlement of those directly affected by the land acquisition in India ➔ The Act provides for fair compensation to those whose land is taken away, transparency in the process of acquisition of land to set up factories or buildings, infrastructural projects and assures rehabilitation of those affected ➔ The Act has replaced the Land Acquisition Act, 1894, a nearly 120-year-old law enacted during British rule ➔ (c) Nationalisation (took control) of banks, insurance companies and some key industries have been done to ensure that the ownership of the material resources of the community are so distributed so as to obtain best service of common good. 🚜🏛️

⚖️ DIFFERENCE BETWEEN DIRECTIVE PRINCIPLES AND FUNDAMENTAL RIGHTS 📌

Directive Principles	Fundamental Rights
1. They are provided in Part-IV of the Constitution.	1. These are provided in Part-III of the Constitution.
2. These are not justiciable or enforceable by any court of law.	2. These are justiciable; the citizens can seek protection from a High

Directive Principles	Fundamental Rights
	Court or the Supreme Court in case of infringement.
3. They are meant for the government to create certain privileges for the citizens.	**3.** They are privileges in existence for the citizens to enjoy.
4. They are mere directions to the State to attain certain set objectives.	**4.** They are a certain kind of restriction on the State.
5. Their scope is wider as they deal with a wide range of subjects including international peace and security.	**5.** Their scope is limited as they are concerned with individual's rights (roots).
